

FIBERGLASS STORAGE TANKS AND POLY TANK STORAGE

WE LIVE AG™

Ag Spray Equipment offers the highest quality fiberglass tanks from the top manufacturers across the country.

Fiberglass tanks are manufactured using various types of resins that are designated for the type of application needed; along with different types of orientations, diameter, finishes and resistance to corrosion that will aid in the manufacturing of the proper tank to fit each one's needs. These tanks are built to meet any need you or your company may have.

Strict quality control assures each tank is manufactured with the highest quality resin. From storing water to fertilizer, fiberglass tanks are a solid option for permanent storage.

Common Fiberglass Tank Sizes Available:

- 12x15 - 12,600
- 12x20 - 16,800
- 12x25 - 21,000
- 12x30 - 25,350
- 12x35 - 29,600

CONE BOTTOM TANKS

Size	Dia	Ht	Lid/Fitting
1720 Gallons 15 degree slope	91"	78"	16"/ 2" V
2500 Gallons 15 degree slope	91"	108"	16" / 3"
3000 Gallons 15 degree slope	91"	120"	16"/ 3" V
3000 Gallons 15 degree slope	95"	123"	16"/ 2" V
5500 Gallons 30 degree slope	119"	148"	16"/ 3"-2" V
6000 Gallons 15 degree slope	102"	195"	16"/ 3"-2" V
7500 Gallons 30 degree slope	141"	149"	16"/ 3"-2" V
10000 Gallons 15 degree slope	141"	149"	22"/ 3"
10000 Gallons 30 degree slope	141"	149"	22"/ 3"

POLY VERTICAL TANKS AND LEG TANKS

NORWESCO

NORWESCO vertical tanks feature tie-down slots, built in graduated gallonage indicators, an offset fill-well with a self-vented, slosh-proof lid. NORWESCO vertical tanks are equipped with an outlet fitting and siphon tube.

With the broadest leg tank line available, Norwesco manufactures a size that will fit your needs. Used primarily for transport and nursing applications, Norwesco's leg tanks feature molded-in legs that act as "baffles" to reduce sloshing.

COMMON VERTICAL TANK SIZES

Vertical Tank Size	Dia	Ht	Lid/Fitting
1,100 Gallons	87"	53"	16"/ 2"
1,550 Gallons	87"	67"	16"/ 2"
1,700 Gallons	87"	74"	16"/ 2"
2,500 Gallons	95"	91"	16"/ 2"
3,000 Gallons	95"	109"	16"/ 2"
5,000 Gallons	102"	152"	16"/ 3"-2"
6,000 Gallons	102"	182"	16"/ 3"-2"
6,500 Gallons	119"	150"	16"/ 3"-2"
9,000 Gallons	141"	146"	22"/ 3"-2"
10,000 Gallons	141"	160"	22"/ 3"-2"
15,000 Gallons	165"	186"	22"/ 3"-2"
20,000 Gallons	165"	242"	22"/ 3"-2"

COMMON TRANSPORT TANK SIZES

Transport Tanks	Dia	Ht	Lid/Fitting
2035 Elliptical	84"	56"/142"	16"/2"
2650 Elliptical w/baffles	88"	82"/122"	22"/ 3"-2"
2610 Drainable w/skid	90"	79"/140"	16"/no ftg.
2635 Elliptical	90"	72"/140"	16"/ 3"-2"
3135 Elliptical	99"	80"/150"	16"/ 3"-2"
3210 Drainable w/skid	92"	75"/178"	16"/no ftg.
3250 Elliptical w/baffles	88"	82"/152"	16"/ 3"- 2"
3725 Horizontal	92"	97"/145"	16"/ 3"- 2"
4010 Drainable w/skid	92"	87"/192"	16"/no ftg.
4035 Elliptical	92"	75"/192"	16"/ 3"- 2"
5025 Horizontal	92"	96"/190"	16"/ 3"- 2"
6025 Horizontal	99"	103"/193"	16"/ 3"- 2"
